STATEMENT OF KATHERINE SNOW

Today's date is August 19, 1996. The time is now 11:33 A. M. The following is a voluntary statement from Mrs. Katherine Snow of West, Mississippi. This statement is given to John Johnson, Investigator with the District Attorney's office, Jack Matthews of the Mississippi Highway Patrol, and Robert Jennings, Investigator with the District Attorney's office. The location is the Winona Police Department.

Johnson: Ms. Snow, I want to direct your attention back to July 16, 1996, and ask that during the early morning hours did you have an occasion, working at Angelica, to go out to your car and for what reason?

Snow: Yes, to move my car because the back end was in the road, so it would not get hit. I moved it on the back lot.

Johnson: You are talking about in the parking lot actually at Angelica?

Snow: Yes.

Johnson: Did you notice anybody else in the parking lot that morning?

Snow: Yes.

Johnson: Would you describe that person for us.

Snow: He was a dark skinned guy (inaudible) no hair on...shaved real low. He about 5'6" or somewhere in there.

Johnson: I think you have already given us the height of 5'10".

Snow: Yes, Sir.

Johnson: Where was this person at?

Snow: On the front end of Doyle Simpson's car.

Johnson: He was leaned up against Doyle Simpson's car? Is that correct?

Snow: Right

Johnson: Do you remember the clothing this person was wearing?

Snow: I am not for sure.

Johnson: You are not for sure about the clothing. Today's date of course, again, is August 19, 1996, and at 11:30 just three minutes ago, or now five minutes ago, you were shown a

picture line-up with a number of pictures on it and you identified one of the persons in that line-up, didn't you?

Snow: Yes.

Johnson: Nobody here, Mr. Matthews giving you this line-up, Mr. Jennings or myself, nobody directed you..I mean this was a voluntary thing on your part. Is that correct?

Snow: Yes.

Johnson: You had no problem figuring this person out?

Snow: No.

Johnson: This is the person that was leaned up against that car on July 16 between 7:00 and 7:30 A. M.?

Snow: Yes, Sir.

Johnson: Thank you Katherine, that will conclude the statement.
